Lap Pool Class Descriptions

Agua Aerobics (All): Put the water resistance to work for you during this high-energy cardiovascular workout. The class concludes with strengthening exercises and a stretch.

Agua Dynamics (Int. Adv.): a variety of unique movements will be incorporated into this class to work your muscles and keep your heart pumping.

Agua Motion (All): This class targets all aspects of physical fitness through movement in the water. Creative cardiovascular work will be combined with water resistive training to tone and firm the whole body!

Agua Zumba® (All): Perfect for those looking to make a splash by adding low impact high-energy aquatic exercise to your fitness routine. Less impact on joints, water creates natural resistance, which means every step is more challenging and helps tone your muscles! Join us for this fun new cardio aqua class!

Family Swim: Enjoy free time in the lap pool while you and your family (ages 6 months and up) can play games, relax, and spend quality time together. A lifeguard will be on duty. Children must be accompanied by their parent(s) and infants must have water diapers on. Please use family changing rooms.

***Multiple Sclerosis Aquatics:** this class is designed for individuals with MS. Participants will achieve improvements in muscular strength, balance, coordination, and an increase in circulation. Water exercises help to reduce spasticity, and maintain or improve joint flexibility and range of motion. Held in lap pool and led by Instructors trained through National Multiple Sclerosis Society.

Water Works (Beg. Int.): This 50 minute water class makes the most of the waters resistive qualities. This low impact workout is perfect for the fit, pregnant or joint sensitive individual.
