Group Exercise Schedule available online at www.OPHFC.com

Class Descriptions

Studio A

Body Blast (Int. Adv.): Strength & cardio workout using a variety of equipment. High intensity interval training will be incorporated to boost metabolism and caloric expenditure. Take your workout to the next level

C.S.C. (Cardio, Strength & Core (All) : Class consist of 20 min. of easy to follow cardio, followed by 20 min. strength, and concludes with 10 min. of core and stretch. Combines all your favorite aspects of fitness into one solid workout!

***Cycle (All):** A 45-minute group cycling class based on aerobic endurance Training and intervals. Includes jumps, climbs, and sprints.

***Cycle "Lite" (All):** Designed for those new to cycle or for those looking for a less intense workout. Learn proper bike set up and riding techniques. Class will conclude with a cool down stretch.

Core & More (All): Condition the upper body and core muscles using variety of equipment including free weights, body bars, bands, resist-a-balls and much more!

F.I.T. Fitness Interval Training (All): Class will alternate between intervals of cardio and resistance exercises. Each week instructor will alternate formats of cardio. Concludes with core and stretch.

***MOI Cycle (Int. Adv.):** Heart rate based training will guarantee you get the most of your time whether you're doing the 30 min. boost ride or the 50 min. ride. Class will alternate between endurance, interval or strength rides. Heart rate monitor or fit bit encouraged.

Pure Strength (All): Build strength, add definition, and decrease body fat by increasing lean muscle! Using a variety of weight training equipment, you will work every major muscle group in this 50 min. class.

Sit & Fit (All): designed with the older adult population in mind. A variety of equipment will be used. Chairs are incorporated for standing and seated support.

Step Interval (All): Alternates between high- intensity step patterns and Resistance training. Get the best of both cardio & strength training in one awesome workout!

Tai Chi (All): A flowing combination of stretching, breathing and low-impact movements that is known to improve circulation, mobility, and a sense of wellbeing.

Zumba (All): Latin inspired total body workout w/toning exercises and fat burning dance moves. Zumba is a spicy, upbeat mixture of salsa, meringue, hip-hop, belly dance and much more!

Studio B

***Barre Blend (All):** This Pilates base workout will focus on strength, toning and balance with the use of the ballet bar, props and mat work.

***Flow Yoga (All):** This Vinyasa style class will combine breath and a continuous flow of movement through the poses. Will conclude with deeper asanas and relaxation.

***Hatha Yoga (All):** Participants learn how to relax, strengthen, and soothe their bodies and minds while increasing flexibility and strength through various postures and breathing techniques. Concludes with meditation.

***Pilates (All):** Condition the core muscles or powerhouse of the body that includes the abdominals, back and gluteus muscles. Participants will experience a heightened awareness of breath and a lengthening of the entire body.

***Restorative Yoga (All):** Class integrates sequences that will include more gentle restorative poses. The use of props, such as blocks and straps will be used to help students get into positions that will ultimately help realign the body.

Gym

Cardio Dance (All): A fun- filled low impact cardio workout. Instructor incorporates basic dance moves to give you a great cardio class!

Get on the Ball (All): Enjoy the many benefits of using the Resist-A-Ball to tone and strengthen the entire body! A variety of equipment will be used to enhance this workout!

Gentle Yoga (Beg.): A beginner Yoga class designed to meet the needs of seniors and other participants with special needs. Chairs will be used. 45 minutes

Re-Boot Camp (Int. /Adv.): Let's get back to work after the quarantine! This class offers a fun mixture of weights and cardio to get us back into shape!

Stretch & Mobility (All): This 30 min. static stretching class works through a series of standing and seated stretches to improve flexibility and help to alleviate muscle soreness. It is best to attend post workout.

****Pre-registration required on or the day before scheduled class date at the front desk 708-226-0555***
